

Happy July Terry

Summer is well and truly here and the last few weeks at the Wave Project have been fantastically busy. On top of our courses and surf clubs, our Summer Surf Challenge at Fistral was a resounding success, we're about to be featured on Channel 4 and (in case you haven't already heard) we've been nominated as a finalist for a National Lottery Award!

Most importantly, all of this means we're reaching more vulnerable young people than ever before.

LATEST NEWS...

We are extremely excited and honoured to have been selected from thousands of entries as a finalist in the National Lottery Awards 2015.

The Awards are an annual search to find the UK's favourite Lottery-funded projects, and they recognise and celebrate the difference that Lottery-funded projects make.

Now we need your help to win. Voting takes just a few clicks and less than a minute of your time, and would mean the world to all of our volunteers and the amazing young people we work with.

To vote head over to the [National Lottery Awards website](#) and click 'vote' on the Wave Project page in the Sports category.

Or you can call **0844 836 9696** to register your vote. (Calls cost 5p max and some networks may also charge a connection fee - check with your provider first if you're not sure)

## Summer Surf Challenge a huge success!

Nearly 100 people with disabilities hit the waves at Fistral beach this weekend for our Summer Surf Challenge 2015.

The annual event, sponsored by insurance company Amlin, gave people with disabilities the chance to go surfing completely free of charge. More than 70 volunteers gave their time to help out, and there was plenty of high fives and huge smiles all round. [Read more on our website.](#)

## See Oli on Channel 4 Dispatches tonight

One of our amazing surf club members, Oli Adams, is going to be featured in Dispatches on **Channel 4, tonight at 10pm**. *Kids in Crisis* looks at the treatments and interventions available for kids with mental health difficulties and you can see Oli in the sea talking about how the Wave Project helps him feel calmer and reassured.
